

## Easterseals Naples

This month's theme is all about the holidays. We hope everyone has a safe and fun holiday. We continue to be able to improve our culinary and digital literacy programming.

We are showcasing our participants digital literacy and culinary creations at our first ever Digital Literacy Showcase on Monday December 6<sup>th</sup> 4:30PM-6:30PM at Holiday Inn Club Vacations in Marco Island. Please come out to see all the amazing efforts of our participants.

Our community outings last month consisted of employment site Holiday Inn Club Vacations, Adaptive Sailing at Sugden Park, Social Club at Golden Gate Community Park (AIR), and boating fun with Freedom Waters.

We have openings in our additional programming during holiday breaks and summer for those middle school age and up. The programming will teach digital literacy skills and life skills cooking. Please reach out if interested in the program.

We are enrolling for our Adult Day Training LEAP Program and additional programming. We also offer On-The-Job Training and Work Based Learning Experiences through Vocational Rehabilitation.
