

Creating Inclusion

Easterseals Iowa can help you guarantee that your documents, PowerPoints, other printed materials, websites, and physical location are as inclusive as possible to ensure you are providing the best customer service to persons of all abilities.

There are easy steps that you can implement to provide equal access! Easterseals Iowa Assistive Technology Program can offer:

Accessibility Training for Groups or Individuals

- Accessibility Standards and Laws
- Components of accessible materials
- Tools to test the accessibility of the web and documents.

Accessibility Review and Reporting

- Review of websites, web-based technology and documents to improve and ensure accessibility.
- Recommendations for improvement and remediation.

Accessibility Consulting

- Accessibility Policy and Procedure
- Remediation Planning and Reporting

The Easterseals Iowa Assistive Technology Program is made possible through funding from the Center for Disabilities and Development at University of Iowa Health Care supported by the State AT Program grant from the U.S. Department of Health and Human Services Administration for Community Living. Its contents are solely the responsibility of the authors and do not necessarily represent the official views of the Administration for Community Living or HHS.
