AVOID IDENTITY THEFT!

Clean out your offices at home or work. Gather up old files, receipts, cancelled checks, tax forms, etc. No need to remove paper clips, fasteners, staples, or binders. Our powerful shredders are equipped to destroy all those items with no difficulties!

REASONS TO SHRED

- To protect you and your business from identity theft and fraud
- To obey laws requiring shredding. "Any person who maintains or otherwise possesses consumer information for a business purpose" must properly destroy discarded consumer information according to the Fair and Accurate Credit Transition Act.
- To protect company and shareholders by safeguarding proprietary trade information
- When you partner with **Easterseals Posey County SuperShred** you help the environment plus save on waste disposal costs. All documents are destroyed and sent to a recycling center to be converted into usable products. According to the EPA, one ton of paper using recycled fiber saves: 17 trees, 3.3 cubic yards of landfill space, and 4077 Kilowatt hours of energy.
- Outsourcing your document destruction to **Easterseals Posey County SuperShred** keeps your employees focused on their core responsibilities and not on the mundane, but necessary, task of properly disposing of documents.
- You are providing Easterseals Posey County with another job opportunity for local individuals with disabilities!
