## Our Mission

Easterseals Joliet Region provides exceptional services, education, outreach, and advocacy so that veterans, people living with autism and other disabilities can live, learn, work and play in our communities. For over **30 years**, Easterseals & Joliet Public Schools, has had a collaborative and effective school-based partnership with a shared value of continuously supporting students to reach full potential.

- Easterseals provides school-based Occupational Therapy, Physical Therapy, & Speech Therapy in Joliet District 86. **During COVID-19, in-person OT & PT, Zoom, virtual learning options.**
- Use of data collection to monitor effectiveness of intervention and classroom supports.
- Evidence based interventions that diminish or eliminate barriers to participation and build competencies for learning, positive behavior, and social participation.

- Ongoing team collaboration with students, teachers, para-pros, staff, & parents.
- Easterseals therapists provide in-services, presentations, & trainings.
- Easterseals therapists are Innovative, highly trained in current practices, & deliver cost-effective services.
- Easterseals is a teaching-facility affiliated with universities across the country.
- Easterseals therapists' ongoing participation in Joliet School District 86 community events.

*Easterseals & Joliet Public Schools continue to honor an ongoing commitment to the community.*
