

# Does your company hire **VETERANS?**

**Show your company's commitment to Maine's veterans publicly and permanently, for all to see on the Easter Seals Maine Heroes Wall on the DiMillo's Boardwalk in the heart of the Old Port or at Wreaths Across America in Columbia Falls!**

**Honor individual veterans with their own image on the Easter Seals Maine Heroes Wall, or honor all of your veteran employees with a appreciation tile. Images are beautifully laser etched with your company's name and custom message! Tiles are also available to hang in your office!**
