National Sponsorship Opportunities

St. Louis | New York (New Jersey) | Chicago | Philadelphia | Portland (Oregon) | Houston | Orlando

Dear friends,

Tee-It-Up is an Easterseals affiliate-led initiative transforming a successful local golf tournament into a premier Easterseals event enjoyed nationwide.

For nearly 40 years, Easterseals Midwest (St. Louis) hosted this event as a traditional golf tournament before reimagining it into a higher-value opportunity known today as Tee-It-Up. Join our movement to profoundly impact people's lives through disability support services nationwide.

This year, the event will feature seven Easterseals Affiliates, hosting Tee-It-Up in Chicago, Houston, New York (New Jersey), Orlando, Philadelphia, Portland (Oregon), and St. Louis markets. We aim to expand this event to additional national markets in the coming years.

We respectfully invite you to join us as a National Sponsor of Tee-it-Up. As a sponsor, you'll enjoy invaluable branding opportunities, in-person client engagement, and networking opportunities with Easterseals supporters at all participating locations.

This premier event brings together community members, business leaders, board members, high-net-worth donors, corporate partners, special guests, families, volunteers, and many more.

We hope you'll join us for a special evening of social activity, networking, and friendly competition. Proceeds from the event will support Easterseals' disability programs and services in each participating community and nationwide.

Easterseals empowers people to live independent, full lives. We make a lasting difference in the lives of millions of people each year by providing essential services to children and adults with disabilities, older adults, veterans, and their families.

Our national network of 70 Affiliates is trusted to provide programs customized to meet the needs of each community we serve from coast-to-coast—trust earned for more than 100 years.

We positively shape perceptions and address the evolving needs of more than one in four Americans with disabilities through public education, policy, and advocacy. That's our impact. In thousands of communities across America.
