Together...
Making a difference

Easterseals provides exceptional services to children and adults, and specifically those with disabilities, so they can live, learn, work and play in our communities

Easterseals Founder Edgar Allen

In the spring of 1934...the Seal was born!

The launch of its first Easter "seals" campaign to raise money for services

Cleveland Plain Dealer cartoonist J.H. Donahy designed the first seal. Donahy based the design on a concept of simplicity because those served by the charity asked

"simply for the right to live a normal life."

The lily - a symbol of spring - was officially incorporated as Easterseals' logo in 1952 for its association with resurrection and new life
