## Our Mission

*Easterseals provides exceptional services to children and adults, and specifically those with disabilities, so they can live, learn, work and play in our communities*

## CARF Accredited Programs

- **Easterseals Outpatient Medical Rehabilitation** program provides physical, occupational, aquatic and speech therapies in an outpatient setting to persons of all ages with neurological and orthopedic concerns, chronic conditions, disabilities and developmental and congenital impairments.
- **Easterseals Community Center for the Deaf** provides Vocational Rehabilitation Services which empower consumers through opportunities to obtain pre-vocational work and habilitation services that will lead to work for pay. Services provided include: interpreting, C-Print transcription, case management, vocational support, education and advocacy services, American Sign Language classes and the sale of Assistive Listening Devices.
- **Easterseals Adult Day Center** is designed to enhance the lives of adults while promoting their dignity and independence. We service adults with Alzheimer's Disease, dementia and older adults with disabilities and special needs. The use of adult day services provides families with much needed relief as well as reassurance that our caring and experienced staff assists participants with every aspect of daily living.
