SNAIL MAZE!

Hey Parents!

At Easterseals, we provide valuable child development services to help guide all parents through these early years. We know during this time, a child's brain develops connections that serve as the basis for language, reasoning, problem solving, social skills and emotional well-being.

Relationships

Hey
Parents!

Build STRONG Relationships with your Kids
to make them feel safe to develop
trust, explore, and learn.
Healthy social and emotional development
lets children cope with emotions and frustrations
and navigate peer relationships.

DOT-TO-DOT!

Hey
Parents!

2
● Allow kids opportunities
to explore and problem solve
from an early age
so they can begin to understand
the world around them.

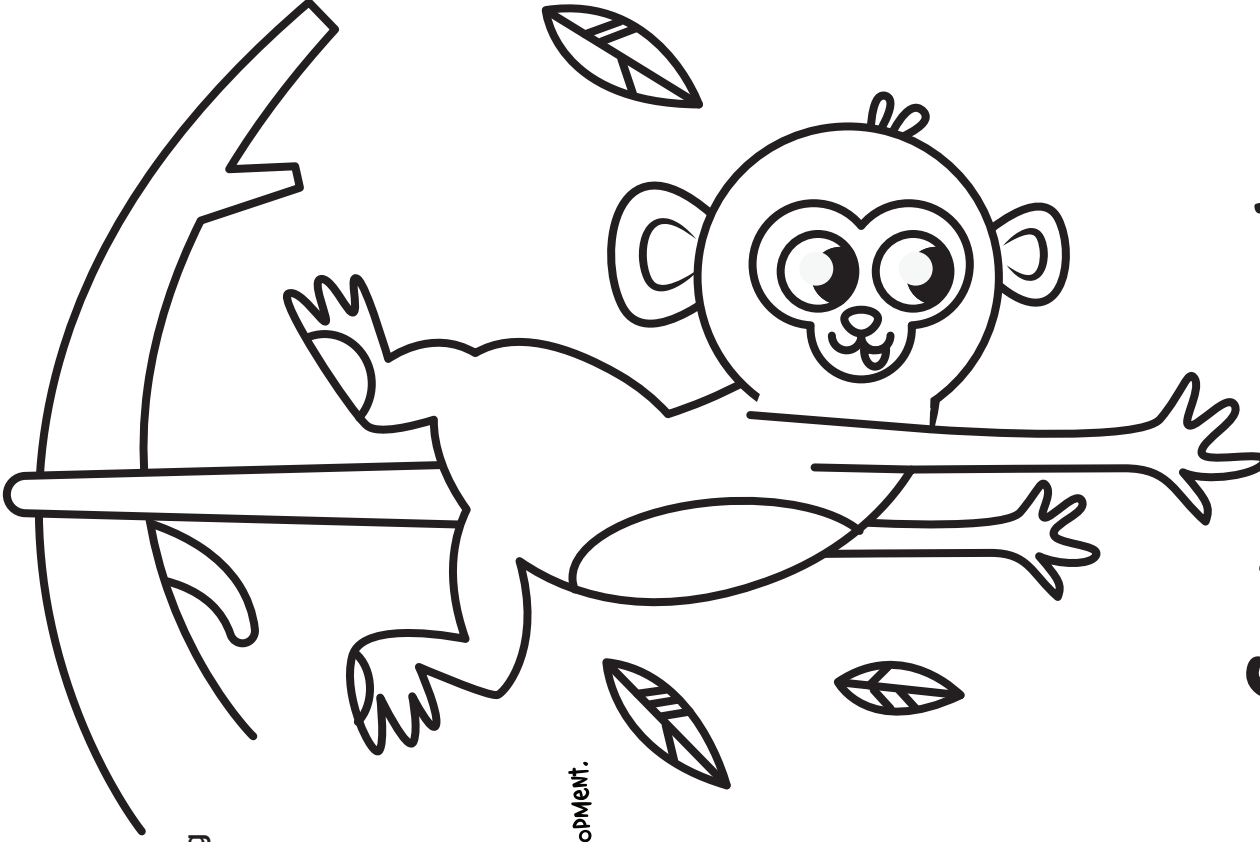

EXPLORING
and
LEARNING

ABOUT ME!

Smile, talk, read and listen
to your kids every chance you can
to encourage language and reading development.

Communication

MY NAME IS: _____

MY FAVORITE COLOR IS: _____

MY FAVORITE ANIMAL IS: _____

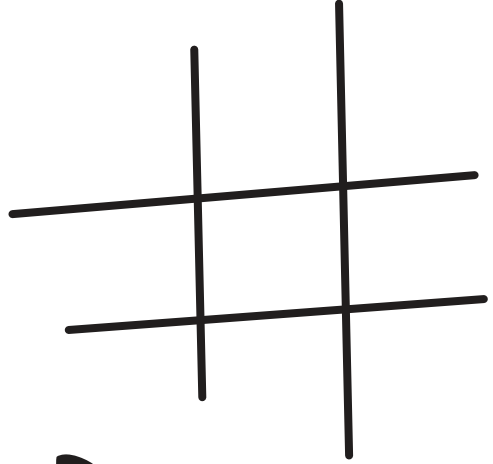

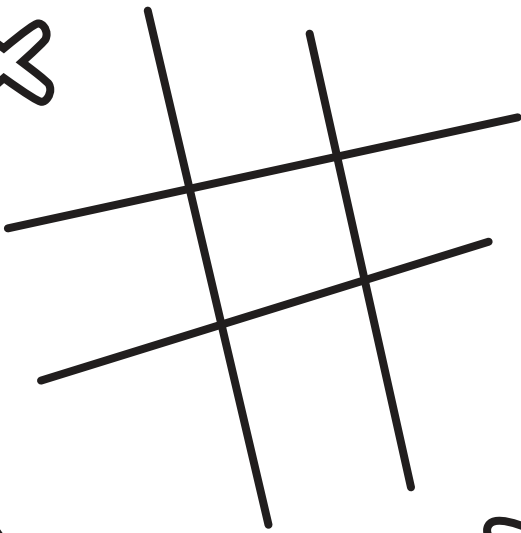

I LOVE: _____

Act silly, play and interact with your kids.
These experiences help guide social, emotional,
language, physical and intellectual maturity.
