

December 14, 2020

Dear Families of Easterseals Project Discovery,

All classes will be moving to remote instruction beginning Monday, December 14, 2020. We will resume in-person instruction on Monday, January 4th. Specific information regarding your child's schedule will be located on Class Dojo.

We understand how challenging this time has been for our families and wish that we could operate in-person, as that is what is best for your children. We remained vigilant in our efforts to keep in-person instruction an option for as long as we could maintain the safety of our students and staff. Unfortunately, at this time, an individual in our preschool had direct contact with someone that tested positive for COVID-19.

Your partnership during this challenging time is making all the difference. You have been a pillar of support and an unrelenting partner in supporting your children so that they can thrive despite the impact of the pandemic. We have - without a doubt – found a strength within us and model perseverance each day for future generations to follow.

Feel free to contact the school by emailing Kiley Trigani @ ktrigani@eastersealsny.org should you have any additional questions.

Be well and be safe. May 2021 be filled with rest and renewal.

Many thanks,

Kiley Trigani

Assistant Director
