Jan. 18, 2021

Good evening families and staff,

Unfortunately, we just learned that one of our staff members tested positive for COVID. In an abundance of caution, we will be transitioning to remote learning for this week 1/19/21 - 1/22/21. If you or your child were in direct contact with the individual who tested positive, you will be contacted directly. At this time, we are scheduling a deep cleaning inside the building and are asking that all staff members do not enter the building at this time. At this time, the plan is to return to the building for in-person learning on Monday, 1/25/21. If anything changes, we will update you as necessary.

Please note that privacy laws restrict us from disclosing or confirming any personal information. We cannot identify anyone who has tested positive. Also, please remember that we can help stop the spread by following the guidance of the Department of Health, including washing your hands with soap and water, wearing a mask when necessary, avoiding gatherings and group activities, and staying home when you are sick.

As always, thank you for your continued support and flexibility!
