

Happy New Year to all our families!

I hope everyone has enjoyed some time off during this holiday season. We all knew that due to the pandemic, our celebrations would look different from those of years past. This communication is following up on that reality.

Unfortunately, Project Soar will have to pivot to REMOTE LEARNING for the week of 1/4/2021-1/8/2021 due to staffing issues. We will follow the previous schedule sent out in prior emails which I have again detailed below.

Each family will receive Zoom invitations in the morning. Please check your email for this information. We ask that **families sign into Classroom Dojo** to check for posted activities and for attendance purposes if you are unable to attend remote sessions.

Related services will follow their daily schedule which may conflict with the classroom schedule. **Please give priority to your child's related services.**

The schedule for classroom sessions is the following:

Classroom 1 (Ms. Lucrecia):	Morning Meeting	9:30 am
	Group Activity	1:00 pm
Classroom 2 (Ms. Laura):	Morning Meeting	10:30 am
	Group Activity	1:30 pm
Classroom 3 (Ms. Rita):	Morning Meeting	10:00 am
	Group Activity	12:30 pm

The transportation companies and school districts have been notified of this change as well. We sincerely apologize for any disruption this causes; however, we hope you understand this is for the safety of all children and staff.

Please reach out with any questions or concerns.

Best wishes for healthy 2021, Janet

Janet Lowe, Assistant Director
