### **How the card works:**

The HealthTrans card can be used at any participating pharmacy to receive a discount on prescriptions. The HealthTrans card can be used at any participating labs to receive a discount on labs and imaging. Your local pharmacy and/or lab can tell you the cost of your prescription when using the HealthTrans card.

Visit the below website, and see what local pharmacies in your area (or any other area) accept this discount card. In addition, you can find out exactly what the cost of prescriptions are at each pharmacy. Lab and imaging discount pricing is also available online.
