

CARNIVAL OF FUN AT CAMP

HACKETTSTOWN - Rotary Club District 7470 and Easterseals New Jersey, a nonprofit assisting children and adults with disabilities and special needs, hosted their annual Carnival Day on Wednesday at Easterseals' Camp Merry Heart. Easterseals New Jersey acquired the 123-acre campsite in 1954. Camp Merry Heart is one of the few camps in the tri-state area that provides accessible recreational opportunities for all ages and ability levels, year-round.
