CHATHAM - Borough resident Jim Ankner has been appointed to the board of directors at **Easterseals New Jersey**, a Jamesburg-based disability services nonprofit.

Ankner works as the co-president of Hummingbird Ventures, a communications and marketing services company. According to **Easterseals**, Ankner was appointed as he brings high level marketing communications experience and insights to the nonprofit, which serves people with disabilities throughout **New Jersey**.

Ankner holds a bachelor's degree in communications and journalism from Seton Hall University in South Orange. He previously worked as the vice president of corporate communications at Travelers, an insurance company.
