Independent Auditor's Report

To the Board of Directors
Easterseals

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Easter Seals, Inc. and Easter Seals Foundation (collectively, Easterseals) which comprise the consolidated statements of financial position as of December 31, 2018 and 2017, and the related consolidated statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements (collectively, the financial statements).

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit includes performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a reasonable basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Easterseals as of December 31, 2018 and 2017, and the changes in their net assets, their cash flows and its functional expenses for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

Easterseals adopted Accounting Standards Update 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities*, in 2018. The adoption of the standard resulted in additional footnote disclosures and changes to classification of net assets and the disclosures related to net assets. Our opinion is not modified with respect to this matter.

Note 1. Nature of Organization and Summary of Significant Accounting Policies

Nature of the organization: Easter Seals, Inc. is the leading nonprofit provider of services for individuals with autism, developmental disabilities, physical and mental disabilities, and other special needs. For nearly a hundred years, Easter Seals, Inc. has been offering help and hope to children and adults living with disabilities and to their families. Easter Seals, Inc. is supported in part by Easter Seals Foundation (collectively referred to as Easterseals), which raises funds to further Easter Seals, Inc.'s initiatives and programs.

Through therapy, training, education and support services, Easterseals creates life-changing solutions so that people with disabilities can live, learn, work, and play in their communities.

Through its headquarters' office and 72 affiliates, Easterseals provides services and support to individuals with disabilities and support to their families across the United States.

Easter Seals, Inc. and its affiliates are each separately incorporated and are tax exempt under the provisions of Section 501(c)(3) of the U.S. Internal Revenue Code (or similar tax treaties in other countries, as applicable), and are therefore exempt from taxation under current income tax laws. Easterseals' consolidated financial statements do not include the accounts of these affiliates because they do not meet the criteria requiring consolidation. Each affiliate is a separately incorporated entity, has its own independent board of directors, conducts service programs independent of those of Easter Seals, Inc., and maintains its own separate accounts. Each of the affiliates pays an annual membership fee to Easter Seals, Inc.; membership agreements between Easter Seals, Inc. and the affiliates describe various obligations, terms, and conditions of Easter Seals, Inc. and its affiliates.

Easterseals conducts a comprehensive national direct-response fundraising and public education campaign (National Campaign) in accordance with Easterseals' charitable goals and objectives outlined in its by-laws. Easterseals does not serve as an agent for its affiliates in conducting the National Campaign, but rather raises funds for Easterseals in cooperation with its affiliates. The National Campaign and the funds raised in the National Campaign are managed and distributed in accordance with the policies and procedural guidelines agreed to by Easterseals and its affiliates.

In 2016, Easterseals embarked on a strategic visioning process as the organization looks to its second 100 years of delivering high quality services to people with disabilities, caregivers, seniors and veterans. This process reaffirmed the priorities of the Easterseals national office to advance the outstanding work of the 72 Easterseals affiliates across the country. As part of this strategic review, Easterseals and Dixon Center determined that a move of the Dixon Center, which represents program development operations associated with veteran's initiatives, will better advance the strategic goals of both organizations in the coming years. As of May 1, 2017, the Dixon Center operations moved from Easterseals national office to join forces with Fedcap, a national non-profit that creates opportunities for people with barriers to economic well-being. As a result, the December 31, 2017 statement of activities reflects a loss on transfer of Dixon Center which represents pledges of \$3,384,800 and cash of \$350,000.

The financial statements of Easter Seals, Inc. and Easter Seals Foundation reflected net deficits of \$5,060,800 and \$5,474,800 for the years ended December 31, 2018 and 2017, respectively. While the net deficits are largely due to pension liability adjustments other than net periodic benefit cost, the 2017 deficit was also caused by two non-cash, non-operating items: the loss on transfer of business and loss on pledges receivable. Over the past three years, Easterseals has implemented cost savings programs that have reduced recurring operating expenses by approximately \$1.5 million, on an annual basis. As a result, operating expenses were reduced by approximately \$1.6 million from 2017 to 2018.

Note 1. Nature of Organization and Summary of Significant Accounting Policies (Continued) Summary of Significant Accounting Policies

Accounting policies: Easterseals follows accounting standards established by the Financial Accounting Standards Board (the FASB) to ensure consistent reporting of financial position, results of activities, and cash flows. References to Generally Accepted Accounting Principles (GAAP) in these footnotes are to the FASB Accounting Standards Codification, sometimes referred to as the Codification or ASC.

Basis of consolidation: The accompanying consolidated financial statements include the consolidated accounts of Easter Seals, Inc. and Easter Seals Foundation. Easter Seals, Inc. has a controlling financial interest and an economic interest in Easter Seals Foundation and, therefore, presents consolidated financial statements. All significant intercompany accounts and transactions have been eliminated in consolidation.

Cash and cash equivalents: Cash and cash equivalents include highly liquid short-term investments with maturities of 90 days or less from the date of purchase with the exception of cash held for reinvestment, which is included in investments. Easterseals maintains its cash balance in financial institutions, which at times may exceed federally insured limits. Easterseals has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash.

Investments: Investments in marketable securities are recorded at fair value based on quoted market prices. Changes in fair value are recorded as unrealized gains (losses) and are included in investment return. Investments are exposed to various risks such as interest rate, market, and credit risks. It is at least reasonably possible that changes in values of investments will occur in the near term and that such changes could materially affect the amounts reported.

Accounts receivable from affiliates: Affiliate receivables are carried at original invoice amount less an estimate for doubtful receivables (allowance) based on a monthly review of all outstanding amounts. Management determines the allowance for doubtful accounts by identifying troubled accounts and considering historical experience. Affiliate receivables are written off when deemed uncollectible. Recoveries of affiliate receivables previously written off are recorded when received.

As required by the by-laws, any unpaid affiliate receivable balance, which became due and payable within any fiscal year, shall be paid by January 31 of the following fiscal year, unless Easterseals approved an arrangement for payment at a later date. Non-payment of a past due account may result in a reclassification of the affiliate's membership status.

Fixed assets: Furniture, fixtures, computer equipment, software, and leasehold improvements are stated at cost. Contributions of long-lived assets are recorded at the estimated fair market value at the date of receipt and are recorded as unrestricted support unless the use of such contributed assets is restricted by a donor-imposed restriction. If donors contribute long-lived assets with stipulations as to how long the asset must be used or with any other restrictions, such contributions are reported as temporarily restricted support. Certain computer equipment is leased under capital leases for three to five years, which requires Easterseals to pay all maintenance costs. Expenditures for maintenance and repairs are expensed as incurred and expenditures for major renovations are capitalized.

Easterseals regularly evaluates whether circumstances have occurred that would indicate the remaining estimated useful life of long-lived assets may warrant revision or that the remaining balance of such assets may not be recoverable. When factors indicate that such assets should be evaluated for possible impairment, Easterseals uses an estimate of the undiscounted cash flows over the remaining life of the assets in measuring whether the assets are recoverable. In the opinion of management, no impairment adjustments were required at December 31, 2018 or 2017.

Easter Seals, Inc. and Easter Seals Foundation

Notes to Financial Statements

Note 1. Nature of Organization and Summary of Significant Accounting Policies (Continued)

Depreciation and amortization is computed using the straight-line method over the estimated useful lives of the assets. Leased assets' amortization is included in depreciation expense. The estimated useful lives are:

Leasehold improvements	Life of Lease
Furniture and fixtures	5 - 11 years
Computer equipment and software	3 - 5 years

Other assets: Easterseals' domain name is considered an intangible asset with an indefinite life. Easterseals reviews the intangible asset for impairment on or about December 31 of each year. Recoverability for this asset is measured by comparing its carrying amount to the fair value. If the intangible is considered impaired, the impairment to be recognized equals the amount by which the carrying value of the asset exceeds its fair market value. Easterseals did not record any impairment charges during 2018 or 2017.

Pledges receivable: Pledges that are expected to be collected in future years are recorded at the present value of the estimated future cash flows. Pledges receivable have been discounted using rates that approximate the risk associated with the ultimate collection of the receivable. The discount is amortized using an effective yield over the expected collection period of the receivable.

Beneficial interest in trusts: Easterseals has been designated as the beneficiary of assets held in charitable lead and remainder trusts administered by other trustees. Easterseals recognize contribution revenue with donor restrictions and an asset for the present value of the estimated future benefits to be received when the trust assets are distributed. Adjustments to the receivable to reflect the revaluation of the present value of the estimated future payments to Easterseals are recognized in the consolidated statement of activities as a change in value of split interest agreements.

Easterseals has also been designated as the beneficiary of perpetual irrevocable trusts which are administered by other trustees. Under the terms of the trusts, Easterseals has the irrevocable right to receive all or a portion of the income earned on the trust assets in perpetuity. Easterseals does not control the assets held by the outside trusts. The fair value of the beneficial interest in the trusts is recognized as an asset and as a permanently restricted contribution at the date the trust is established. Adjustments to the beneficial interest to reflect changes in the fair value are reflected in the consolidated statement of activities as net unrealized gains on perpetual trusts. Annual distributions from the trust are reported as investment returns in the consolidated statement of activities.

Charitable gift annuities: Annuity agreements are issued in exchange for a payment that constitutes part charitable contribution and part purchase of an annuity, providing for payments to the stated annuitants during their lifetimes. These agreements constitute a general obligation of Easterseals. The gift portion of annuities and investment reserves in excess of liabilities are reported as a contribution in unrestricted net assets. Sufficient assets are maintained to meet the annuity requirements stipulated by the various state laws. Easterseals is required to hold reserves related to the gift annuity program based on the laws in certain states in which Easterseals solicits these gifts.

Net assets: Easterseals classifies its net assets, revenue, gains and losses based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of Easterseals are reported as follows:

Without donor restrictions: Net assets composing of all resources that are not subject to donor-directed restrictions, such as expendable resources used to support Easterseals' core activities. All expenses are recorded as a reduction of net assets without donor restrictions.

Easter Seals, Inc. and Easter Seals Foundation

Notes to Financial Statements

Note 1. Nature of Organization and Summary of Significant Accounting Policies (Continued)

With donor restrictions: Net assets subject to donor-imposed restrictions carry restrictions that expire upon passage of a prescribed period or upon the occurrence of a stated event as specified by the donor, at which time they are reclassified to net assets without donor restrictions and reported as net assets released from restrictions. Included in net assets with donor restrictions are gifts held by Easterseals pending their use in accordance with donor stipulations and unexpended gifts from pledges and living trust agreements where the principal is expendable upon redemption or maturity. Contributions received with donor-imposed restrictions that are met in the same reporting period are reflected as an addition and reduction to net assets with donor restrictions. Also included in this category are net assets subject to donor-directed restrictions to be maintained in perpetuity by Easterseals.

Net assets (deficit) without donor restrictions at December 31, 2017 of (\$9,920,500), was previously reported as unrestricted net assets. Net assets with donor restrictions at December 31, 2017 of \$4,445,700 represents the sum of \$2,607,800 and \$1,837,900 previously reported as temporarily restricted and permanently restricted net assets, respectively.

Contributions: Contributions are recognized when an unconditional promise to give is made (pledge receivable) or when cash is received, if an unconditional promise does not exist. Contributions include bequests, which are recorded at their estimated fair value when Easterseals has received an unconditional promise to give. Easterseals considers a bequest unconditional when the probate court declares the testamentary instrument valid and the proceeds are measurable.

Government grants and contract revenue: Government grant and contract revenue is recognized when earned, which is generally when qualifying expenses have been incurred and all other grant requirements have been met. Easterseals receives a substantial amount of its operating support from the federal government. Any significant reduction in the level of this support could have an effect on Easterseals' programs.

In-kind contributions: Easterseals records, as in-kind contributions, contributions of fundraising material, informational material, or advertising, including media time or space for public service announcements or other purposes, that are used for Easterseals' benefit and that encourage the public to contribute to Easterseals or help Easterseals communicate its message or mission. Easterseals will not record a contribution in circumstances in which Easterseals is unable to have an active involvement in determining and managing the message and the use of the materials. In-kind contributions in 2018 and 2017 primarily relate to public service announcements for Easterseals. These contributions are recorded at fair value, which is based on the number of airings and average market media prices obtained from the nation's largest media buying sources. The in-kind contributions are in effect offset by like amounts included in public health education and advocacy for persons with disabilities and research expense in the consolidated statement of activities and changes in net assets, as well as in printing and media expense in the consolidated statement of functional expenses.

Membership fees from affiliates: Membership fees are recognized in the month for which the membership applies, and affiliates are invoiced at the beginning of each month. Monthly fees per affiliate include a base fee plus supplementary fees for major markets included in that affiliate's assigned territory. Major markets are defined as the most populous counties in the nation as determined by the U.S. Census Bureau Population Estimates Program.

Sales and services to affiliates: Sales and services to affiliates are recognized when the related services are provided. Sales and services may include registration fees for events, website management fees, planned giving management, and various fees for Easterseals articles.

Easter Seals, Inc. and Easter Seals Foundation

Notes to Financial Statements

Note 1. Nature of Organization and Summary of Significant Accounting Policies (Continued)

Operating expenses: Operating expenses are presented in the consolidated statement of activities on a functional basis, classified according to the significant program activity related to the purpose for which Easterseals exists or supporting service. The financial statements report certain categories of expenses that are attributed to more than one program of supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and related expenses, which are allocated on the basis of actual time and effort, office supplies, software, insurance, occupancy, depreciation, and telephone, which are allocated by department headcounts.

The significant activities are:

Program Development: Funds, leadership, and assistance to provide services for children and adults with autism and other disabilities. Primary services are medical rehabilitation, job training and employment, inclusive child care, adult day services, and camping and recreation. Building from Easterseals' expertise, Easterseals is focusing on four service areas of critical importance: young children, older adults, people living with autism, and military service members and veterans.

Professional Education and Training: Activities to improve the knowledge, skills, and critical judgment of affiliate staff, volunteers, caregivers, and other health and education professionals.

Fundraising Advisory: Training and consultation with Easterseals' affiliates to strengthen their relationships with donors and make the general public aware of the needs of children and adults with disabilities and their families.

Management Advisory: Managing Easterseals' brand and membership standards with affiliates; consulting on general management issues, including Easterseals' best practices for service delivery, board development, and doing business as a nonprofit: finance and accounting, budgeting, strategic planning, and personnel selection.

Public Health Education: Creating a public awareness about individuals living with disabilities and the issues they face through multi-media public education campaigns, community advocacy, and by providing up-to-date resources about disabilities, disability awareness, opportunities, universal design, and other relevant topics. The primary focus is on young children, older adults, people living with autism, and military service members and veterans with disabilities.

Advocacy for Persons with Disabilities and Research: Activities to assure equal access and opportunities for people with disabilities, and awards, grants, and/or activities to support studies or investigations in the physical and social sciences that seek new evidence-based knowledge to benefit children and adults with disabilities, their families, and the personnel that serve them.

Grants and awards: Grants and awards to affiliates for program development purposes are recognized as expense once a grant or award has been made. Grants and awards, which are payable beyond one year, are reported at the present value of their estimated future cash flows and have been discounted using a rate, which is commensurate with the risks involved with the ultimate payment of these obligations at the time the obligation is incurred. The discount is amortized using an effective yield over the expected life of the awards and grants contracts and is reflected as program service expense.

Income taxes: Easter Seals, Inc. and Easter Seals Foundation are exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and applicable state law, except for taxes pertaining to unrelated business income, if any.

Easter Seals, Inc. and Easter Seals Foundation

Notes to Financial Statements

Note 1. Nature of Organization and Summary of Significant Accounting Policies (Continued)

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under this guidance, Easter Seals, Inc. and Easter Seals Foundation may recognize the tax benefit from an uncertain tax position only if it is more-likely-than-not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. Examples of tax positions include the tax-exempt status of Easter Seals, Inc. and Easter Seals Foundation and various positions related to the potential sources of unrelated business taxable income (UBIT). There were no unrecognized tax benefits identified or recorded as liabilities for the reporting periods presented in these financial statements.

Easter Seals, Inc. and Easter Seals Foundation file Form 990 in the U.S. federal jurisdiction and the State of Illinois.

Use of estimates: The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results may differ from those estimates.

Accounting pronouncements adopted: In 2018, Easterseals adopted Accounting Standards Update (ASU) 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities*. The ASU addresses net asset classifications, and reporting and disclosures about liquidity, financial performance, expenses, and cash flows. Certain provisions, as required, have been applied retrospectively to 2017. Amounts previously reported as temporarily or permanently restricted have been reclassified to be reported as net assets with donor restrictions. In addition, Easterseals has added or enhanced disclosures for liquidity, net assets, and expenses.

Pending accounting pronouncements: In January 2016, the FASB issued ASU 2016-01, *Financial Instruments—Overall (Subtopic 825-10): Recognition and Measurement of Financial Assets and Financial Liabilities*, which updates certain aspects of recognition, measurement, presentation and disclosure of financial instruments. ASU 2016-01 will be effective for Easterseals beginning in 2019.

In May 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customers (Topic 606)*, requiring an entity to recognize the amount of revenue to which it expects to be entitled for the transfer of promised goods or services to customers. The updated standard will replace most existing revenue recognition guidance in U.S. GAAP. The updated standard is effective for the Easterseals in 2019, and early adoption is allowed.

In February 2016, the FASB issued ASU 2016-02, *Leases (Topic 842)*. The guidance in this ASU supersedes the leasing guidance in Topic 840, *Leases*. Under the new guidance, lessees are required to recognize lease assets and lease liabilities on the statement of financial position for all leases with terms longer than twelve months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the consolidated statement of activities. The new standard is effective for Easterseals in 2020, and early adoption is allowed.

Notes to Financial Statements

Note 1. Nature of Organization and Summary of Significant Accounting Policies (Continued)

In March 2017, the FASB issued ASU 2017-07, *Compensation-Retirement Benefits (Topic 715): Improving the Presentation of Net Periodic Pension Cost and Net Periodic Postretirement Benefit Cost*. This standard requires that an entity report the service cost component of net periodic pension and postretirement cost in the same line item or items as other compensation costs arising from services rendered by the pertinent employees during the period. The remaining components of net benefit costs are required to be presented in the income statement separately from the service component and outside a subtotal of income from operations, if one is presented. The amendment further allows only the service cost component of net periodic pension and postretirement costs to be eligible for capitalization. The new standard is effective for Easterseals in 2019 and early adoption is allowed.

In 2018, the FASB issued ASU 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. This ASU provides guidance surrounding the categorization of certain transactions as contributions or exchange transactions. It further clarifies when contributions should be deemed conditional. The new standard is effective for Easterseals in 2019; early adoption is permitted.

In 2018, the FASB issued ASU 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement*. This ASU affect any entity that is required, under existing GAAP, to make disclosures about recurring or nonrecurring fair value measurements. The new standard is effective for Easterseals in 2020; early adoption is permitted.

Easterseals is currently evaluating the impact of the adoption of these standards on its financial statements.

Reclassifications: Certain 2017 amounts have been reclassified to conform to the current year presentation. These reclassifications have no effect on net assets or changes in net assets as previously reported.

Subsequent events: Easterseals has evaluated subsequent events for potential recognition and/or disclosure through May 15, 2019, the date the financial statements were available to be issued.

Notes to Financial Statements

Note 2. Financial Assets and Liquidity Resources

The table below present's information related to financial assets available for general expenditures within one year at December 31, 2018:

Financial assets, at year-end:	
Cash and cash equivalents	\$ 576,300
Investments	7,901,300
Accounts receivable from affiliates	210,800
Government grants and contract receivable	2,966,200
Pledges receivable, net	226,500
Other accounts receivable, net	806,500
Investments for charitable gift annuities	1,501,600
Beneficial interest in trusts	1,907,000
	<u>16,096,200</u>
Less amounts not available to be used within one year:	
Pledges receivable due after one year, net	(6,500)
Other accounts receivable due after one year	(162,500)
Net assets with donor restrictions:	(3,645,800)
Charitable gift annuities	(1,501,600)
Amounts held for loan collateral	(4,518,400)
	<u>(4,518,400)</u>
Financial assets available to meet cash needs for general expenditures within one year	<u>\$ 6,261,400</u>

Easterseals liquidity management plan is to utilize cash in excess of daily requirements to reduce borrowings under the line of credit agreement. In addition to financial assets available to meet general expenditures over the next twelve months, Easterseals operates with a balanced budget and anticipates collecting sufficient revenue to cover general expenditures not covered by donor-restricted funds.

Note 3. Pledges Receivable

Donors' promises to give to Easterseals, net of a discount to present value (ranging from 1.2 percent to 1.57 percent) are due to be collected as follows:

	2018	2017
Gross amounts due in:		
One year	\$ 220,000	\$ 325,300
One to five years	7,000	87,500
Subtotal	<u>227,000</u>	<u>412,800</u>
Less discount to present value	500	2,100
Total	<u>\$ 226,500</u>	<u>\$ 410,700</u>

The discount will be recognized as contribution revenue through 2019 as the discount is amortized using an effective yield over the duration of each pledge.

In May 2017, \$3,384,800 of pledges receivable dedicated towards the Dixon Center were transferred to Fedcap as part of the Dixon Center transition. Also in May 2017, \$1,260,800 of pledges related to the Foundation was deemed uncollectible.

1998 Charitable remainder trust	2.74%	\$ 232,200	19	\$ 141,800	\$ 142,600
1999 Charitable remainder trust	2.69%	1,000,000	16	636,400	636,600
2009 Charitable remainder trust	2.69%	379,600	16	91,400	80,900
2011 Charitable remainder trust	2.11%	30,700	0	-	27,200
2011 Charitable remainder trust	2.11%	78,500	0	-	38,500
				\$ 869,600	\$ 925,800

Easterseals' beneficial interest in perpetual trusts is summarized as follows:

	Principal Amount	Easter Seals Interest	Fair Value 2018	Fair Value 2017
2011 Perpetual Trust	\$ 795,400	100%	\$ 684,700	\$ 795,400
2011 Perpetual Trust	3,236,100	10%	289,400	323,600
2011 Perpetual Trust	995,700	6.25%	58,400	62,200
			\$ 1,032,500	\$ 1,181,200

Contribution revenue recognized in the consolidated statements of activities related to the above beneficial interest in trusts was \$0 for the years ended December 31, 2018 and 2017.

Note 5. Fixed Assets

Fixed assets are summarized by major classification, net of accumulated depreciation and amortization, as follows:

	2018	2017
Leasehold improvements	\$ 1,305,800	\$ 1,262,000
Furniture and fixtures	447,400	447,400
Computers, equipment and software	580,900	752,400
Software in progress	462,200	75,000
	<u>2,796,300</u>	<u>2,536,800</u>
Accumulated depreciation and amortization	(781,300)	(740,700)
Total fixed assets	<u>\$ 2,015,000</u>	<u>\$ 1,796,100</u>

Software amortization expense for the years ended December 31, 2018 and 2017 was \$64,200 and \$49,900, respectively. Total accumulated software amortization expense for the years ended December 31, 2018 and 2017, was approximately \$111,400 and \$132,300, respectively.

Note 6. Fair Value Disclosures

The Fair Value Measurements and Disclosures Topic of the Codification defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and sets out a fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Inputs are broadly defined under the Topic as assumptions market participants would use in pricing an asset or liability. The three levels of the fair value hierarchy under the Topic are described below:

Level 1: Quoted market prices in active markets, such as the New York Stock Exchange, for identical assets or liabilities.

Level 2: Observable market based inputs or unobservable inputs that are corroborated by market data.

Level 3: Unobservable inputs that are not corroborated by market data.

Easterseals assesses the levels of the investments at each measurement date, and transfers between levels are recognized on the actual date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2018 and 2017, there were no such transfers.

For the years ended December 31, 2018 and 2017, the application of valuation techniques applied to similar assets and liabilities has been consistent. The following is a description of the valuation methodologies used for instruments measured at fair value on a recurring basis:

Investment Securities

The fair value of publicly traded mutual funds is based upon market quotations of national security exchanges.

Note 6. Fair Value Disclosures (Continued)

Certificates of Deposit

Certificates of deposit are recorded at cost and accrued interest which approximates fair value.

Beneficial Interest in Trusts

Nonperpetual trusts are recorded at their estimated fair value based on the present value of the estimated future cash receipts from the trust. Future cash receipts are based on an income approach using internally developed models. Assumptions are made regarding the expected rate of return on investments in the trust, the discount rate, and the expected mortality of the individual(s) if the termination of the agreement is dependent on life expectancy. An expected rate of return on the investments in the trusts is estimated using historical investment returns. The expected mortality is estimated using the Center for Disease Control life tables. Each of these calculations is based on the fair value of the underlying assets of the trust. As the fair value of these trusts is derived from internal estimates of the present value of Easterseals' interest in the underlying assets, the amounts ultimately received could differ from the amounts reflected in the historical financial statements.

Perpetual trusts are recorded at fair value based on Easterseals' interest in the fair value of the underlying trust assets.

The following tables present Easterseals' fair value hierarchy for the investments as of December 31, 2018 and 2017:

	2018

Note 7. Investment Returns and Net Unrealized Gains on Perpetual Trusts

Investment returns recorded in the statements of activities and changes in net assets are as follows:

	2018	2017
Interest and dividends	\$ 184,800	\$ 83,600
Perpetual trust interest and dividends	52,700	45,500
Realized and unrealized gains	(226,200)	209,400
Perpetual trust unrealized gain	(148,700)	117,000
	<u>\$ (137,400)</u>	<u>\$ 455,500</u>

Investment advisory fees paid by Easterseals were \$14,500 and \$7,200 for 2018 and 2017, respectively.

Note 8. Debt

Easterseals has an available \$6,500,000 bank line of credit. Borrowings outstanding under the line are due on demand and are collateralized by certain unrestricted investments. Easterseals had \$3,933,400 and \$2,907,600 outstanding under this line of credit as of December 31, 2018 and 2017, respectively. The interest rate is LIBOR plus 1.5 percent. The weighted average interest rate on the line of credit was 3.4 percent and 2.4 percent for 2018 and 2017, respectively.

Easterseals entered into a \$2,000,000 program-related loan agreement in December 2015 with a charitable foundation at a below market interest rate of 1.50 percent. The loan was collateralized by the accounts receivable and list income revenue of Easterseals, and was subordinated to the \$6,500,000 line of credit. The drawn portion of the loan agreement was \$1,000,000 and was documented by a non-revolving line of credit promissory note, which had a due date of January 10, 2018 for both principal and unpaid interest. The principal and interest was paid in full on January 10, 2018.

Note 9. Affiliates

Easterseals requires each affiliate to submit its annual audited financial statements, its annual return of organization exempt from income tax (Form 990, filed with the Internal Revenue Service), and an Easterseals data template, by certain dates during each year. Easterseals headquarters reviews the audited financial statements and agrees the information to the template to ensure accuracy. The information is then aggregated and included in Easterseals' non-audited annual report. This unaudited financial information, summarized for the most recent annual reporting periods (2017), is as follows:

	(Unaudited)	
	2017	2016
Total assets	\$ 1,575,878,000	\$ 1,464,408,000
Total liabilities	511,456,000	469,668,000

Notes to Financial Statements

Note 9. Affiliates (Continued)

The nature of Easterseals' relationship with its affiliates, as described in the membership agreements, does not require consolidation under accounting principles generally accepted in the United States of America.

As participants in the Easterseals organization, affiliates paid membership fees of \$3,574,600 and \$3,592,600 for 2018 and 2017, respectively. Accounts receivable balances from affiliates, after allowances for uncollectible accounts, at December 31, 2018 and 2017, were \$210,800 and \$169,100, respectively. These amounts are classified in current assets based on timing of expected payments.

The aggregate amount of contributions and charitable gift annuities for which Easterseals is obligated to its affiliates as of December 31, 2018 and 2017, are \$357,600 and \$644,100, respectively. As of December 31, 2018 and 2017, the contributions and charitable gift annuities are payable as follows:

	2018	2017
Gross amounts due in:		
One year	\$ 4,000	\$ 10,500
One to five years	-	-
Thereafter	353,600	633,600
Total	<u>\$ 357,600</u>	<u>\$ 644,100</u>

Note 10. Allocation of Joint Information Costs

For the years ended December 31, 2018 and 2017, Easterseals incurred joint program services costs of \$20,712,300 and \$22,505,300, respectively, for informational materials that included fundraising appeals. For 2018 and 2017, Easterseals allocated \$8,706,700 and \$9,696,200, respectively, to public health education and \$12,005,600 and \$12,809,100, respectively, to fundraising.

Note 11. Pension Plan

Easterseals has a defined benefit pension plan covering substantially all of its employees. Benefits are based on years of service and the employee's average compensation. Easterseals' funding policy has been to contribute annually an amount equal to at least the minimum amount required under the applicable employment retirement regulations. The plan was last amended effective April 30, 2012, freezing eligibility, compensation, and benefit accruals.

The following tables set forth the accumulated benefit obligation, projected benefit obligation, and the change in the plan assets of the defined benefit pension plan with measurement dates of December 31, 2018 and 2017. The tables also reflect the funded status of the plan, as well as recognized and unrecognized amounts in the consolidated statements of financial position.

Note 11. Pension Plan (Continued)

The weighted-average assumptions used in determining the actuarial present value of the projected benefit obligation were as follows:

	2018	2017
Weighted-average discount rate	4.10%	3.55%
Weighted-average rate of compensation increase	N/A	N/A

The weighted-average assumptions used in determining the net periodic benefit cost were as follows:

	2018	2017
Weighted-average discount rate	3.55%	4.41%
Weighted-average rate of compensation increase	N/A	N/A
Weighted-average expected long-term rate of return on plan assets	5.75%	7.00%

Easterseals determines the long-term expected rate of return on plan assets by examining historical capital market returns, correlations between asset classes, and the plan's normal asset allocation. Current and near-term market factors, such as inflation and interest rates, are then evaluated to arrive at the expected return on plan assets. Peer group or benchmarking data are also reviewed to ensure reasonable and appropriate assumptions.

Plan Assets

In 2017, Easterseals changed asset managers and separated the assets of the Master Trust into individual investment accounts for each pension plan. The investment accounts for each pension plan are now invested in pooled separate accounts. The following value of plan assets in 2018 and 2017 relate solely to the Easter Seals, Inc. Pension Plan. Following is a description of the valuation methodology used for assets measured at fair value at December 31, 2018 and December 31, 2017.

Shares of mutual funds and pooled separate accounts: Valued at the total of the net asset value (NAV) of shares of mutual funds and cash held by the account at year-end. The Plan's interest in the mutual funds and pooled separate accounts is valued based on the information reported by the investment advisor. The NAV, as provided by the investment manager, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the fund less its liabilities.

Notes to Financial Statements

Note 11. Pension Plan (Continued)

Easterseals employs a total return investment approach whereby a mix of equities and fixed income investment funds are used to maximize the long-term return of plan assets for a prudent level of risk. Risk tolerance is established through careful consideration of plan liabilities, plan funded status and corporate financial condition. The investment portfolio contains a diversified blend of equity and fixed income funds.

Contributions

Easterseals made contributions to the pension plan of \$957,600 and \$1,016,000 during the years ended December 31, 2018 and 2017, respectively. Easterseals plans on contributing \$1,050,000 to the plan in 2019.

Estimated Future Benefit Payments

Estimated future benefit payments are as follows:

Year ending December 31:

2019	\$	1,820,000
2020		1,820,000
2021		1,860,000

Note 12. Restricted Net Assets (Continued)

Net assets were released from donor restrictions when expenses were incurred to satisfy the restricted purposes specified by donors or time restrictions met for the years ended December 31, 2018 and 2017, as follows:

	2018	2017
Program restrictions:		
Advocacy	\$ 14,600	\$ 11,000
Brand management	-	31,400
Geographic location	340,400	356,900

Time restriction	986,300	488,300
Totals	<u>\$ 2,252,200</u>	<u>\$ 3,125,800</u>

Beneficial interest in trusts consists of beneficial interest in perpetual trusts and a charitable remainder trust receivable. Easterseals does not consider its beneficial interest in perpetual trusts to be part of its endowment since it has no control over the assets included in the perpetual trusts. Easterseals' endowment consists of the donation to be held in perpetuity of \$20,000. The income generated from the fund is not donor restricted.

Note 13. Leases

Easterseals signed a 12-year lease agreement with Chicago BT Property, LLC in November 2015. As an incentive for the new office space, Chicago BT Property paid \$1,165,900 for the 233 S. Wacker lease termination penalty on behalf of Easterseals. The lease also provides Easterseals with a \$1,470,500 tenant improvement allowance. Lease incentives are recorded as deferred rent and other on the consolidated statements of financial position and amortized against rental expense over the life of the lease.

Base rent is recognized on a straight-line basis and rental expense for operating leases in Chicago amounted to \$485,200 and \$495,400 for the years ended December 31, 2018 and 2017, respectively.

Easterseals has an operating lease for office space in Washington, D.C. which provides for annual base rent plus a pro rata share of real estate taxes and other operating expense as defined in the lease. An amendment to this lease started May 2016 which provided 11 months of rent abatement. Rent expense is recognized on a straight-line basis over the life of the lease and was \$587,000 for the years ended December 31, 2018 and 2017, respectively. This lease term is through June 2028. Beginning in May 2018, Easterseals began subleasing a portion of the office space. The sublease runs through June 2028 and provides for annual base rent plus the subtenants pro rata share of real estate taxes and other operating expenses. Rent income is recognized on straight-line bases over the life of the lease and was \$300,200 for the year ended December 31, 2018. Total minimum rentals to be received over the life of the noncancellable sublease is expected to be \$4,578,773.

Easterseals has an operating lease for office space in Washington, D.C. which provides for annual base rent plus a pro rata share of real estate taxes and other operating expense as defined in the lease. An amendment to this lease started May 2018 which provided 1 month of rent abatement. Rent expense is recognized on a straight-line basis over the life of the lease and was \$80,600 and \$0 for the years ended December 31, 2018 and 2017, respectively. This lease term is through June 2021.

Note 14. Contingencies

Easterseals is occasionally party to lawsuits and claims arising out of the conduct of its business. Easterseals' management is of the opinion that the outcome of these matters will not have a material effect on the financial statements.

**Independent Auditor's Report
on the Supplementary Information**

To the Board of Directors
Easterseals

We have audited the financial statements of Easter Seals, Inc. and Easter Seals Foundation (collectively, Easterseals) as of and for the years ended December 31, 2018 and 2017, and have issued our report thereon, dated May 15, 2019, which contains an unmodified opinion on those financial statements (see pages 1 and 2). Our audits were performed for the purpose of forming an opinion on the financial statements as a whole.

The accompanying consolidating information is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The consolidating information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.
