

I start school on

We go to school on Mondays, Tuesdays, Wednesdays, Thursdays, and Fridays during the school year.

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
No School	School	School	School	School	School	No School

There is no school on Saturdays, Sundays, and on certain Holidays like Thanksgiving, Christmas, and Easter.

No school!

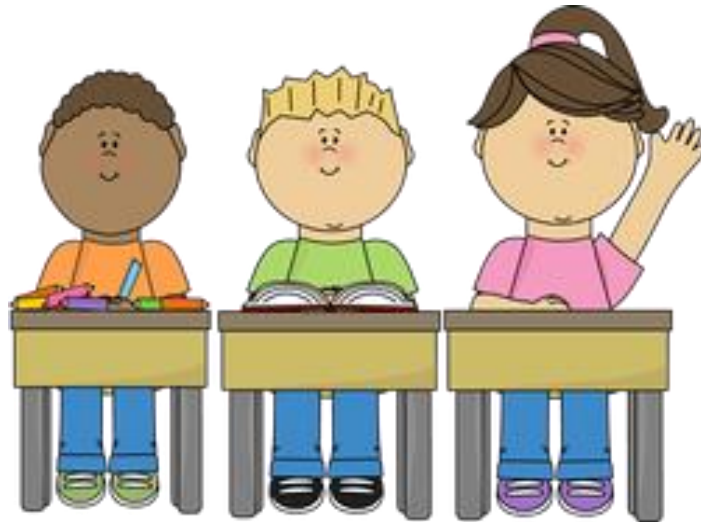

Some kids ride the bus to school, some kids ride in a car, and some kids walk to school.

How will you get to school? Draw a picture below of how you will get to school this year.

A large, empty rectangular box with a thin black border, intended for a child to draw their mode of transportation to school.

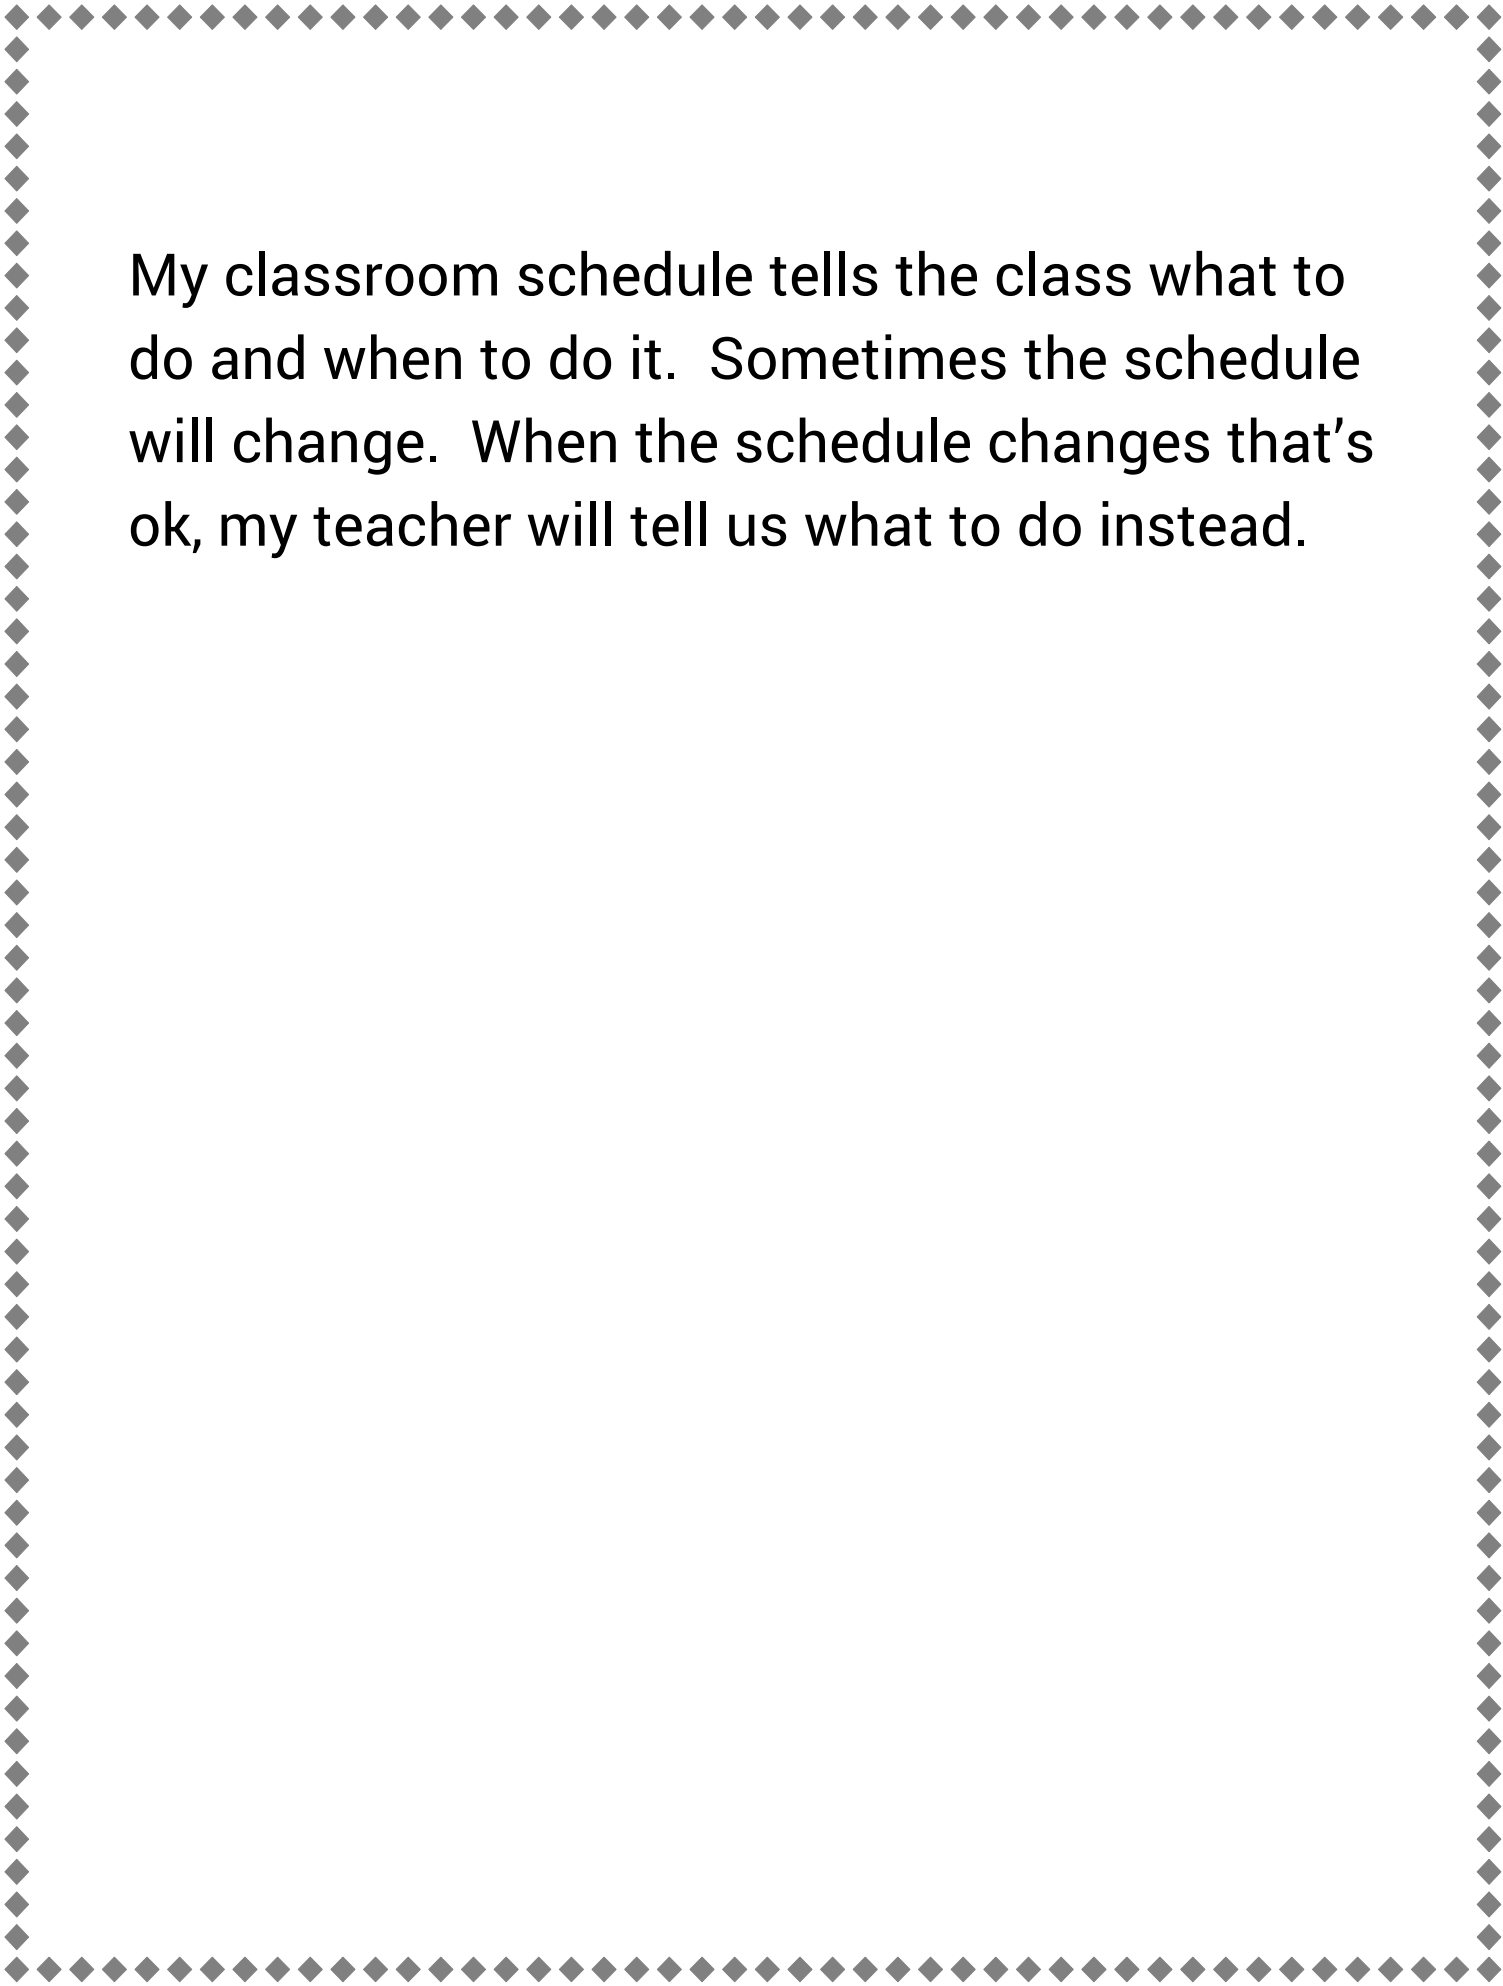

My teachers will plan fun things for us to do at school.

Sometimes we will sit and do activities or read stories.

Sometimes we will go outside and play. I can play with a friend or play by myself.

My classroom schedule tells the class what to do and when to do it. Sometimes the schedule will change. When the schedule changes that's ok, my teacher will tell us what to do instead.

TODAY'S SCHEDULE

Teachers are very helpful. They will help me to learn and play. It's important I listen to the teacher's words and do what they say.

If I don't understand something the teacher says, that's ok, I just need to raise my hand like this and ask the teacher to explain again.

It's important that I be respectful to my friends and teachers at school. This means I will:

1. Use kind words
2. Share
3. Keep my hands and feet to myself

When school is over kids ride the bus, ride in a car, or some kids walk home or to an after school camp.

When school is over, I will go

I can check the calendar to see if I have school tomorrow!
