

Easterseals Snapshot

Easterseals is driven by its purpose to change the way the world defines and views disability by making profound, positive differences in people's lives every day through our impactful services and powerful advocacy for children and adults with disabilities.

Fast Facts:

- For more than 100 years, Easterseals has served as an indispensable resource for individuals with disabilities, veterans, seniors, and their families. In schools, workplaces, and communities, we're fostering environments where everyone is included and valued.
- In 2020, we delivered high-quality services to **1.5 million clients and their family members** through our **network of 67 Affiliates** in communities nationwide. Among these high-quality programs and services: early intervention, autism services, workforce development, behavioral health services, adult day programs, and much more.
- In 2019, we realized **\$2.2 billion in total public support and revenue**. Combined functional expenses of \$2.2 billion for the year included **88%** for program services, public education, and training with **12%** spent on fundraising, administration, and other support.

Our National Network:

Our Network of 67 Affiliates nationwide delivers high-quality home- and community-based services and supports to ensure that people with disabilities can live, learn, work, and play in their communities. Here are these five distinct categories of services and the number of participants who benefited from these programs in 2019.

Live: Hands on, comprehensive, vital programs and supports to help people reach their full potential

- Other Support Services: 147,179

Act: Opportunities for our vibrant community of friends and supporters to advocate, volunteer, and support us through special events and digital engagements.

- Community Engagement and Outreach: 3,931,257
- Educational Programming: 115,544

Recent Accomplishments:

- Easterseals marked its 100th year of service to and advocacy for the one in four people living with disability in America in 2019.
- As it enters its second century of service, Easterseals remains the champion for people living with disabilities, veterans, caregivers, and families -- embracing a future where every one of us is 100% included and 100% empowered.
- Throughout the global pandemic, Easterseals responded to the increasing needs of people with disabilities in communities nationwide through continued delivery of services and supports for individuals and families living with disability through telehealth as well as through home- and community-based programs.
