## OUR PROGRAMS

### LIVE

Hands on, comprehensive, vital programs and support to help people reach their full potential – regardless of challenges, needs or disabilities.

### LEARN

Programs designed to help children and adults learn—and often re-learn— basic functions, master skills needed to develop and thrive, and be sharp and active as they age.

### WORK

A range of training, placement and related services that help people prepare for the workforce—because meaningful work is often the key to overcoming challenges and having a good life.

### PLAY

Fun, healthy programs for children, adults and caregivers to relax, connect with friends and engage in constructive activities—all so necessary to living the best life possible.

### ACT

Our vibrant community of friends and supporters stands with those who face challenges by volunteering, advocating, donating and participating in events that inspire us all and sustain our cause.

## **Pediatric Therapy**

Easterseals South Carolina offers both school based services and home based therapy services for children and their families.

### **School Based Services**

Our goal is to offer professional and reliable services, which enable school districts and Head Start programs to meet legal obligations and responsibilities under written law. We provide therapy and support services to children with special needs referred from local school districts and head starts as prescribed through the student's Individual Education Plan (IEP). Disabilities may be permanent or temporary; physical or developmental; genetic or accidental.

### **Home Based Therapy**

Therapists offer home based therapy to children and families throughout South Carolina. Our therapists offer parents and caregivers an opportunity to have a family focused, in home therapy service to assist their child from birth to age 18.

Therapy Services offered by Easterseals South Carolina includes:

***Physical Therapy  
Occupational Therapy  
Speech Language Pathology***

## **Autism Services**

Our Autism Division provides Applied Behavior Analysis (ABA) services for individuals with Autism. We work with each family to develop individualized training and Behavioral supports in the home to allow children to accomplish the goals needed to reach the greatest possible level of independence.

## **Early Intervention**

We offer Early Intervention services to children and their families statewide. The Early Intervention Specialist offers parents/ caregivers an opportunity to have a family-focused, in-home service to assist their child from birth to age five.

Services may include:

- Providing functional assessments and evaluations***
- Providing parents with learning activities to enhance their child's development***
- Helping parents learn about available services and helping families decide which services are right for their child and family***

Easterseals also provides Service Coordination activities that assist families in accessing resources and agencies that can provide support in helping families reach their goals.
