## OUR PROGRAMS

### LIVE

Hands on, comprehensive, vital programs and support to help people reach their full potential – regardless of challenges, needs or disabilities.

### LEARN

Programs designed to help children and adults learn—and often re-learn— basic functions, master skills needed to develop and thrive, and be sharp and active as they age.

### WORK

A range of training, placement and related services that help people prepare for the workforce—because meaningful work is often the key to overcoming challenges and having a good life.

### PLAY

Fun, healthy programs for children, adults and caregivers to relax, connect with friends and engage in constructive activities—all so necessary to living the best life possible.

### ACT

Our vibrant community of friends and supporters stands with those who face challenges by volunteering, advocating, donating and participating in events that inspire us all and sustain our cause.

## Early Intervention

We offer Early Intervention services to children and their families statewide. The Early Intervention Specialist offers parents/ caregivers an opportunity to have a family-focused, in-home service to assist their child from birth to age five.

Services may include:

- **Providing functional assessments and evaluations**
- **Providing parents with learning activities to enhance their child's development**
- **Helping parents learn about available services and helping families decide which services are right for their child and family**

Easterseals also provides Service Coordination activities that assist families in accessing resources and agencies that can provide support in helping families reach their goals.
