

Coordinated Care Network

ESSC has partnered with Kaiser, Blue Shield, and Unite Us as part of a coordinated community care network (CCN) to connect families with a broad range of services beyond what is typically provided at ESSC.

These services are listed on the right and can be obtained free of charge.

If you are interested in hearing more about these resources, please let your ESSC case supervisor know.

You will be required to complete a consent form and screening form detailing demographic information and services requested.
