

Easterseals Southern California (ESSC) wants to be an inclusive place for our community. It is important to create a safe space to voice ideas, concerns, and our vision for services.

ESSC Affinity Groups welcome everyone. We want to empower and support each other. We are looking to start groups such as:

- Advocates for Neurodiversity
- Families of Black Participants
- SingleCaregiver Experiences
- Families of LatinX and Hispanic Participants
- LGBTQ+ Families of ESSC

If you are interested in leading or joining an Affinity Group, scan here to contact Khrystle Montallana or email her directly at Khrystle.Montallana@ESSC.org.
