

► Who We Are

Easterseals Southern California delivers the Bob Hope Veterans Support Program which provides employment transition support for veterans leaving the military.

While Easterseals is known for its services to people with disabilities, **veterans do not need to have a disability to use The Bob Hope Veterans Support Program.**

Bob Hope Veterans Support Program

Easterseals is a great organization where people care about you and want you to succeed. They go out of their way to make sure that your transition to a civilian job goes as smoothly as possible."

Bob Hope Veterans Support Program

Employment support services assisting veterans to transition from the military to civilian work.

► What We Do

The Bob Hope Veterans Support Program provides one-on-one employment support services that assist veterans to transition out of the military to a civilian job or to build their own small business. We also provide this service to spouses/registered domestic partners of veterans.

► How We Do It

The Bob Hope Veterans Support Program offers:

- Individually tailored one-on-one support to determine interests, skills, desires and goals.
- Small business development and micro-grant funding.
- Support translating military experience and skills into language employers understand.
- Motivation and inspiration to gain confidence.
- Assistance tailoring resumes to specific employment opportunities.
- Training to enhance communication and interviewing skills.
- Tools to develop networking skills.
- Links to a network of employers.
- A “foot-in-the-door” with potential employers.

► Who is Eligible*

Service Members & Veterans must:

- Be within 3 months prior to discharge/ separation/retirement and up to 24 months after completing active duty service.
- Intend to work in Southern California.
- Have an Honorable, General, or Other-Than-Honorable discharge.
- Note: Spouses and registered domestic partners qualify only if their veteran has a disability and cannot work.

*Complete eligibility criteria reviewed upon registration.
