Here is how I feel about Covid:
(either a picture or words or both!)

Believe it or not some good things have
come out of it. They are:

The best thing of all has been:

These are the things that I don't like about Covid:

This is what I don't like the most:

This is what I wish would change right now:

I have done well during covid. Here are some ways that I have been strong and done the right thing:

Here are some things I am proud of that I did:

Here is what other people appreciate that I did:

This is how I helped someone else during this time:

Yes! I am coping with Covid!!
