Program Highlight

Employment & Community Services

Easterseals Annual Golf Classic is our biggest fundraiser of the year and raises essential funds to support Easterseals programs and the individuals that we serve.

Easterseals Employment and Community Services (ECS) provides programming for adults with disabilities. Services include adult day programming, pre-vocational evaluation, employment planning, school-to-work transition, supportive employment, in-home services and job placement.

We assist each individual to build their vocational and daily living skills and achieve short and long term independent goals.

Each day, we foster and advocate for environments where everyone is included and valued while making a real, positive impact on people's lives.
