

Dear Friend & Supporter of Easterseals

We hope you and your family are staying safe and healthy. We wanted to personally reach out to you about Easterseals' efforts with Walk With Me and our Easterseals' family amid the COVID-19 virus.

With governing measures changing each day, Easterseals is closely listening and following the advice of the CDC and governing officials to ensure the health and safety of our walkers and the Easterseals family. At this time, Easterseals has shut down its programs and services locally in order to help prevent the spread of COVID-19. Our Walk With Me event, however, currently remains on Saturday, May 16 at Kennywood Park.

We are working hard to ensure the health and safety of our walkers and the Easterseals family. With the sudden closures of our programs and services, your support is especially needed during this uncertain time. As you and your team have been a vital part of our Walk With Me event, we are asking for your participation again during our 2020 Walk With Me! Please register here: [www.walkwithme.org/pittsburgh](http://www.walkwithme.org/pittsburgh). This year we will also add a virtual walk option. Details will be forthcoming as we get closer to the event. Your registration today will support the many children and adults with disabilities and other special needs Easterseals serves.

With Walk With Me just 52 days away, your support is significant at this time. Please register online for our Walk With Me event at [www.walkwithme.org/pittsburgh](http://www.walkwithme.org/pittsburgh).

If you should have any questions about Walk With Me and our efforts towards protecting our guests, you can email us, and we will do our best to answer them.

Again, thank you for your continued support of Easterseals.

Thank you,  
Lori McCann  
Vice President, Development
